This traditional event is a time for recognition of the people at Concerned, Inc., both the individuals that are served by the agency and the staff and board members who make it all happen. It is also an opportunity to recognize the community members and businesses that support and partner with us. This event is a great way for stakeholders and members of the community to meet with the people we serve and to find out more about what we do at Concerned, Inc.

There will be food, fun, and prizes.

We hope to see you there. ~*Concerned, Inc.*
